

MATLAB Online Registration Guide (For Amrita students)

This is a guideline for the students of Amrita Vishwa Vidyapeetham, who want to create a personal account in the MathWorks online portal, use the MATLAB online version and activate the Matlab offline version installed in a personal computer with their MathWorks account credentials.

1. Registration Part : Make a MathWorks account with university Email ID as follows

Step 1: To make a MathWorks account you can go to this page

<https://in.mathworks.com/academia/tah-portal/amrita-vishwa-vidyapeetham-1061757.html> and create a MathWorks account.

Step 2: Click **Sign in to get started.**

The screenshot shows the MathWorks account creation form. At the top, there is the MathWorks logo. Below it, there is a label "Email" and a text input field. Below the input field, there is a link "No account? Create one!" and a small text "By signing in you agree to our privacy policy". At the bottom right of the form, there is a blue button labeled "Next".

Step 3 : To use, download and activate you must create a MatLab account. Click **Create One.**

Create MathWorks Account

Email Address

i To access your organization's MATLAB license, use your work or university email.

Location

Which best describes you?

Are you at least 13 years or older? Yes No

Step 4 : Here it is important to register your **Amrita email**, and your account has to be set up for “Student or Research scholar Use”

Create MathWorks Account

Email Address

i To access your organization's MATLAB license, use your work or university email.

Location

Which best describes you?

Are you at least 13 years or older? Yes No

- Select one...
- Student
- Teacher/researcher in academia
- Hobbyist
- Engineer/scientist in government
- Engineer/scientist in industry

Create MathWorks Account

Email Address

guest@av.students.amrita.edu

To access your organization's MATLAB license, use your work or university email.
