Step 12 :- Click “**CONTINUE**” to go to next page.

Step 13 :- Click “**Get Started**” under **Autocad or Inventor or Revit** TAB.

Step 14 :- Before you can get access to the educational software, you will need to verify that you attend or work for a Qualified Education Institution through the SheerID verification system. You will be asked to fill out the form below.

Step 15 :-

On the next page, you will need to upload documentation that the account owner attends or works at the Qualified Education Institution (see FAQ) during that year. All Students and teachers and Staff installing Autodesk products will need to complete the verification.

Additional documentation needed

Please upload a copy of documentation issued to you by your educational institution (e.g. tuition receipt or student ID, employee ID) as proof that you attend, teach or are employed at a qualified educational institution.

You have 14 days to upload your documentation

The document must include:

1. Your full legal name (Amrita Student)
Note: The name on the document you submit must match this.
2. The name of the educational institution at which you are enrolled or employed (Amrita Vishwa Vidyapeetham)
Note: The school name on the document you submit must match this.
3. A date within the current school term.

Preferred documents include:

- Transcript
- School-issued confirmation letter
- A copy of your student ID (photo ID not required)

Supported file types: JPEG, PDF, PNG, GIF

Drag documents here, or browse

NOTE: If your uploaded document is too fuzzy to read, does not show your full and legal name, or shows a name different from the one you used for this Autodesk account, you will not be able to complete the confirmation process. Please do not include any confidential information in the document you upload, such as social security numbers or banking details. Please ensure any sensitive information is blacked out before you upload your document.
